

The Catholic Women's League of Canada Military Ordinariate Provincial Council

TO: Military Ordinariate Administrative Committee

FROM: Military Ordinariate Provincial Resolutions and Legislations Chair

DATE: January 3, 2017

MEMO: # 2 (2016-2018)

SUBJECT: Resolutions and Legislation Update

Happy New Year everyone, I hope you all had a blessed and safe Holiday season.

I received memos from the National Chairpersons for Legislation and Resolutions respectfully. The Legislation memo discusses how this committee is the least understood, to read more on this she refers to the Executive Handbook, which states, "Legislation is social justice in action. It is the carrying out of League resolutions to influence government policy." Please refer to our National website, www.cwl.ca Communique #2 for further incite.

The Resolutions memo from Joan Bona National Chairperson, discusses the process of how to develop a Resolution. She also encourages parish councils to write letters and respond to the action plans of the 2016 Resolutions.

I found a small article from March 2016 discussing the banning of the Neonicotinoid pesticide, I quote, "The Federal government has heard the voice of the League members. In addition to Vancouver and Montreal city bylaws in place that prevent the use of this pesticide, Health Canada has now also proposed a ban on the harmful pesticide, to read more about the Leagues Resolution go to Banning the use of Neonicotinoid Pesticides.

In conclusion, remember the smallest topic for a Resolution can have a huge impact on our government to change Legislation'

May the Lord and Healer hold you in the palm of his hand all the days of your Life.

Your sister in the League,

Frances Gaunt
