

Tawnya Stringer

CWL MO Organization Chair

Biography

Tawnya Stringer

CWL MO Organization Chair

I joined the CWL in Shilo, Manitoba in 1996.

I have been married to Chris, a current CAF member, since 1994. We have three children. Both my parents were in the Air force, my grandfathers served in WWII; one of my grandpas was in the regular army following the war and my sister has also married a soldier. I predict that at least one of my children will serve in the military too! Our military roots run deep☺

I have been an active member in CWL councils in, Shilo and Gagetown as well as our current posting here in Kingston. I was president in Gagetown twice and I have also held the positions of President Elect/ Organization, Secretary, Communications Chair and Spiritual Development Chair at the Parish level. I have coordinated workshops, Spiritual retreats, social functions and religious education.

I have served on the Military Ordinariate Provincial level since 2010. I first held the position of Christian Family Life Chair and then I held the position of MO Communications Chair. I have compiled and edited 5 issues of the Maryline newsletter and I am currently the liaison for Military Ordinariate website as the website liaison for the MO.

I work as a Direct Support Professional, supporting people with disabilities in their homes and in the community. I graduated from Loyalist College, as a Developmental Service Worker (DSW) in August, 2014. I also work casually at the KMFRC as a Child and Youth facilitator. I volunteer in my children's schools and at a school where I completed work placements as part of my DSW studies. I love reading, crafts and spending time with my family.
