**SUBJECT:** Introduction

Welcome Back CWL Sisters;

Flowers are still blooming; nice weather is holding out and the beginning of a new school year for the young ones. What does this have to do with the CWL? **Well**, it is a new beginning for us as well. Councils will be hosting pot lucks and meet and greets this month in hope to increase their memberships and that means more productivity for your base council. There are many ways to get the word out and with the inventiveness of some of the councils; I'm sure it will prove to be very interesting. Please keep me posted on your progress.

In my new role as MO Past President, I am available to all council past presidents that may require any assistance; we can take this journey together as we learn the mentorship/archiving role. I realize some councils may not have the added bonus of a past president, possibly due to postings, in that case, the role should fall on someone that may be a more seasoned member, after all, isn't that also our mandate, to help each other whenever and wherever needed.

May I suggest as we start a new CWL year, the advantages of having a **CWL Binder** in your meeting room at all times containing valuable information, such as, history of the CWL, Standing Rules, Guidelines and Directives, Convention Guide, welcoming package details, agenda outline, National CWL ordering sheet, etc. this can be updated, viewed and used at anyone's discretion. The CWL binder can be a new member's best friend and an experienced member's memory.

Congratulations on another year for your base council and may your councils continue to prosper and flourish.

Our Lady of Good Counsel, pray for us.  
God Bless

**Donna Penney**
