Please share our contact information with your members and encourage them to reach out to us if they have any questions, comments or concerns.

As discussed in the post- convention executive meeting, there will be two mass mailouts of memos, one in time for your September meetings, and one in January. Individual chairpersons, may also send out information and memos, throughout the year, as is needed and pertinent to their committees. Please ensure the information is reaching our membership and the members of your councils.
