SUBJECT: Website

Dear Sisters in Christ,

I am writing to provide you with information regarding our website. As of right now, we do not have a Military Ordinariate CWL website. Please do not use the old web address until further notice, as it is not up to date and is no longer being maintained.

I have recently “attended” the Fall Teleconference call with the Military Ordinariate Admin Committee and it was brought to my attention that there is some confusion as to why the MO CWL website is not up to date. In June, I accepted the resignation of Michelle Gerwing, who had been volunteering as our webmaster for more than 6 years.

Being a webmaster is not something I am good at; I know nothing about it. It is a responsibility of the Communications chair to be in charge of who does the website but it does not have to be the chair, herself. Furthermore, because the Communications Chairperson changes every 2 years, it is not, in my opinion, a job that should be done by the communications chairperson. In the interest of continuity, I suggest having someone who can stay on longer than 2 years. It is for this reason; I have been researching the hiring of an outside source. Unfortunately, the hiring of someone to take over the website cannot be done without obtaining permission to use funds, and this has to be done at a general assembly.

It is a learning experience for me and a slow process, but I am confident that it will be worth it in the end and we will have a great website to show for it! I ask for your prayers and patience, as well as any suggestions you have as this project gets underway.

Please don't hesitate to contact me if you require any information or have any questions.

God Bless,

Tawnya Stringer
MO Communications Chair
