MEMO: # 9 (2012-2014))

SUBJECT: Convention

Dear Sisters;

Convention is drawing near and with it comes fundraising/events and the worry of finances. I am aware flight cost are always a major concern with councils, they are increasing with every day that goes by and therefore the sooner the flights are booked the better. Each base council varies and some may have the good fortune to be given additional aid from their parish council. As new presidents, you may not be aware this is an option, therefore, I urge you to approach your parish and request for some financial help if it is available. In some cases, with all the cut backs now happening in the parish community it may not be feasible; however, it never hurts to inquire. Good Luck.

It is exciting to know I will have the privilege of meeting new council presidents along with their fresh ideas and views at the Presidents' Roundtable Meeting. It is generally approximately 45 minutes to discuss issues relating to: mentoring from past presidents, responsibilities, job sharing, memos, sub chairing and many more topics. We also take this time, to introduce each other, thus during convention, we will be more familiar with one another and further at ease. If there is any key issues involving these subjects that your council has questions/concerns on, please do not hesitate to email them to me and I will add them to my agenda. The cutoff date will be the end of May, so I can better prepare the answers. Unfortunately, due to timing and continuing the already overly taxed agenda for convention; we must be diligent in keeping with the time set.

Even during this time of restriction of finances, I pray we will have at least one voting delegate and accredited delegate from each base council. This is not to stress any council, only to give food for thought.

Do not forget to bring your instructed vote from the council for elections at the General Assembly and all the provisions needed for your comfort during your stay at convention. The convention letter will provide details and an itemized list of what you will need.

The election list will be forwarded to your council by the end of April.

I pray this week leads each and every CWL member to holiness as we celebrate the resurrection of Jesus.

Happy Easter!

God Bless My Sisters
