MO Admin Committee, MO Life Members, MO Archivist

FROM: MO Treasurer

DATE: 03 October 2013

MEMO: Treasurer # 3 (2012-2014)

SUBJECT: Liability Insurance and Crest Orders

Hello Everyone,

Welcome to another autumn, and that chill that quickens your step as you walk through the colourful ground cover of leaves. It's time to look ahead to insurance renewal for your councils, the MO CWL is offering a new kit shop item, and this is a reminder to keep tracking your volunteer hours to include in your annual report next January.

It's time to look at liability insurance for your council. This is an inexpensive way to ensure your local council is covered for events like teas, bakes sales, and other activities sponsored by your council. I have enclosed a copy of the form you will need to fill in and send with your cheque. The fee is based on your membership, and is only \$0.60 per person per year. There are not many things available for less than a dollar these days! The payment is due at the National CWL office in Winnipeg no later than 01 December, so please send your forms and payments directly to **Winnipeg**. The full mailing address is included on the bottom of the form.

The sale of T-shirts went over very well, and even though extras were ordered in every size, we managed to sell out at Convention in Greenwood. We now have an exciting new product available with the Military Ordinariate CWL logo...it is a 4 inch crest, available for only \$5.00 each. These crests can be used to sew on a jacket, an apron, a carry bag, a book cover, or anywhere suitable. It can even go on your Spiritual Advisor's stole.

As with the T-shirt orders, advance payment will be required. Please let me know the number of crests your council would like, and send a cheque payable to the "Military Ordinariate Catholic Women's League" no later than **15 November 2013**. This should be addressed to me at the address shown below.

Have a great year, and don't forget those volunteer hours!

Shelley Bahm
MO CWL Provincial Treasurer
