SUBJECT: Euthanasia

Dear CWL Sisters,

Welcome back all, hoping you have an awesome and pray filled year as we continue to know each other better and learn more about our wonderful organization.

There is a lot of stress on becoming more aware and active in the issue of Euthanasia. The communiqué #05 from Judy Lewis, National Chairperson of Christian Family Life covers a motion made at the 95th annual national convention in Vancouver August 2015.

The motion is:

That the Euthanasia Prevention Coalition be added as a temporary national voluntary fund for a term not exceeding five years. This motion was passed.

The Web site for this coalition is euthanasiaprevention@on.aibn.com

A connected story can be found at <http://www.ourwindor.ca/news-story/5830975-quebec-s-split-over-euthanasia-a-warning-for-canada>

On the 10 December 2015 euthanasia will be legal in the province of Quebec.

Please take time to read these articles. Judy Lewis' can be found at cwl.ca

This may be an issue that this chair at your local level can look into what if anything is being done to address this issue in your local area. I would be very happy to hear from any council what they discover and I could share with all so that some ideas may be used at other bases.
