SUBJECT: Convention Reminders

Greetings CWL Sisters,

Convention is drawing near and in approximately 2 weeks we will be joining each other for much needed sisterhood and spirituality as we partake in business and social togetherness.

Our Lady of the Airways have been working diligently to tighten up any loose ends as they prepare to roll out the welcome mat for your visit.

As with every convention, there are always a few little hiccups along the way and the 48th Annual Convention is no different, however, the hosting council has rose to the occasion to alleviate these last minute details, such as, limitation of space due to available base facilities. This seems to be the norm for a lot of military bases now, however, as supported CWL sisters we work through this together and make the best of this situation.

I would like to remind you about your council banners, CWL pins, CWL scarves, past president displays, if bringing as per my memo # 2, council president/voting delegate oral report, which I would like to remind you it is not the same as your annual report (3 minutes), credential cards and gift exchange item with write up as per convention letter.

Check in time for Algonquin College is after 3:00 pm and check out time is before 11:00 am. Registration and the Meet n' Greet will be at the Uplands Chaplain Services, bldg. 469 across the street from Our Lady of the Airways Chapel. The Meet n' Greet will be at 7:00 pm following the Opening Mass at 6:00 pm.

Please remember, as allergies and sensitivities seem to be on the rise, try to be more aware and reframe from wearing scented deodorants and body washes so all attendees to convention

will equally enjoy their experience at CFB Ottawa. We may not have full control over our environment but let's try to accomplish this to the best of our ability. Thank you for your cooperation into this important matter.

We on the MO Admin would enjoy nothing more than announce the destination of the 49th and/or 50th Annual Convention for 2016 and 2017, so please discuss with your council the possibilities.

I believe I have covered the reminders on my list, however, if I have missed anything, please do not hesitate to email or call me as being on the MO Admin does not make us infallible. A quote from Alexander Pope comes to mind, "to err is human, to forgive, divine", definitely, a thought to live our lives by.

My prayers will be with every one of you during your travels.

God Bless and safe journeys.

Donna Penney
